POLICIES REGARDING TAX TREATY EXEMPTIONS AT THE UNIVERSITY

According to the Iceland treaty article, the first \$9,000 of compensations paid to you in the calendar year may be exempt from tax. The \$9,000 limit is for each calendar year; you may not claim the treaty benefit at the University of Chicago and at another institution within the same calendar year.

Should your calendar year earnings exceed the \$9,000 limit (or if your U.S. stay exceeds the 5-year exemption period) and you notice that no Federal or State tax has yet been withheld from your paycheck, it is your responsibility to inform the Payroll Department immediately, (856) 256-4500 ext 64166.

It is also your responsibility to maintain the appropriate, *unexpired*, "employment-authorized" or student visa classification during the period that you are receiving the benefits of this tax treaty exemption and employed at the University.

You must complete the Form 8233 and 87-8 Revenue Procedure Statement for each calendar year (or portion of the calendar year) in which you claim the tax exemption. You are also required to file the appropriate tax return at calendar year-end.

Please certify your acknowledgment of the policies presented above by signing below.
