**RESOLUTION #2022.09.01**

**APPROVAL OF BOARD OF TRUSTEES CALENDAR FOR 2022-2023**

**WHEREAS,** the "Open Public Meetings Act" (Chapter 231, P.L. 1975) requires that "within seven days following an annual organization or reorganization meeting of a public body, every public body shall post and maintain a schedule of regular meetings of the public body to be held during the succeeding year" (C. 10:4-18), and

**WHEREAS,** the Rowan University Board of Trustees desires to be in full compliance with statutory provisions, and

**WHEREAS,** at the beginning of each Board meeting immediately following the opening preliminary agenda items, the Board of Trustees has typically voted to go into closed session to discuss matters permitted to be discussed in closed session, resulting in the public attending the meeting waiting for anywhere from 30 to 60 minutes for the open session to resume, and

**WHEREAS,** the Board is desirous of avoiding this situation while complying in all respects with the proper procedures by which to conduct open meetings and closed sessions and maintaining transparency.

**THEREFORE BE IT RESOLVED** that the Board of Trustees of Rowan University does hereby adopt the following "Annual Notice" of scheduled meetings,

<u>Date</u>	<u>Time</u>	<u>Location</u>

**BE IT FURTHER RESOLVED**, that at all the regularly scheduled meetings of the Board of Trustees listed above (designated as “Regular Meeting”), that the Board is authorized to conduct a closed session addressing issues deemed proper for such discussion beginning at 3:00 p.m. and that the open session of said regular meeting will begin at 4:00 p.m. (or 60 minutes prior to the time of the open meeting if the time of the meeting varies) in the place so designated for such open meeting; that at the beginning of the open session, after the preliminary matters are attended to, the Board Chair or other Board member so acting shall state for the record whether a closed session was held and, in appropriate general terms, the topics covered or discussed in such closed session in the same manner as would be stated prior to such a closed session or state that no closed session was held. Additional closed sessions during or at the end of the open sessions may still be held and normal authorization procedures will apply.

#### SUMMARY STATEMENT/RATIONALE

This resolution approves the Board of Trustees meeting calendar through December 31, 2023. This resolution provides that the Board of Trustees meetings can start at 3:00 p.m. in closed session with the Open Meeting to begin at 4:00 p.m. (or a similar 60 minute time period prior to the advertised start of a meeting) with appropriate procedures. If there is no closed session, the Open Meeting will begin at 4:00 p.m. The purpose of this provision is to avoid the practice of members of the public wishing to attend the Board’s meetings to be present at the advertised start time and then to sit and wait while the Board typically goes into closed session right at the beginning of the meeting.

Chair Bruner entertained a motion that was seconded to approve Resolution #2022.09.01. Chair Bruner opened the floor to questions and recusals from the Board. There being none, a vote was taken 12-0 in favor and Resolution #2022.09.01 was approved.

Chair Bruner entertained a motion that was seconded to approve Resolution #2022.09.26. Chair Bruner opened the floor to questions and recusals from the Board. Mr. Harrington recused himself. A vote was taken 13-0 in favor and Resolution #2022.09.26 was approved.

### **UNIVERSITY SENATE REPORT**

Dr. Bill Freind opened his report noting his excitement for the new academic year. Dr. Freind shared that the administration coordinated a wellness retreat over the summer, which identified some of the challenges facing the University focusing on wellness. At the retreat, Dr. Anne Villinski and Dr. Jillian Threadgill with the Wellness Center presented on an extraordinary number of wellness and wellbeing services. In an effort to increase faculty, staff, and student awareness about these services, Dr. Friend is working closely with the Senate, AFT, and Dr. Steven Scheinthal with SOM who has been working with alumni suffering with mental health issues, to setup presentations. The purpose of these presentations being to promote health and wellness and increase sensitivity about mental health issues. As Dr. Freind previously mentioned, the University joined U.S. Health Promoting Campuses Network (USHPCN), which is comprised of about 80 colleges and universities. Their monthly meetings have been very helpful and Dr. Freind is confident that the Senate will be able to present a comprehensive draft of the wellbeing report to the University administration by the end of the year.

### **STUDENT TRUSTEE REPORT**

Mr. Harrington stated that Student Government Association (SGA) organized a fair comprised of 200 clubs and student organizations to present themselves to the student body. Organizations ranging from academic clubs, departmental clubs, intramural sports, fraternities, and sororities as well as a host of identity-based and community building clubs populated Meditation Walk, providing a fantastic opportunity for freshmen and first-year students to see all that Rowan has to offer. The fair served as a way to advertise the plethora of extracurricular activities

provided to the student body through SGA funding. Members of SGA were also happy to be a part of our President's Welcome, in which President Houshmand welcomed the Class of 2026 to Rowan University. Students were able to learn more about clubs and extracurricular opportunities as well as winning prizes and competing in a truly "HOT" wing-eating contest. SGA thanked President Houshmand for putting on the event, and for allowing their President Paige Bathurst to speak directly to incoming students. Additionally, SGA hosted its annual Bingo competition during Fall Welcome Week in the Chamberlain Student Center. Winners collected prizes, and turnout was impressive. Mr. Hartington was excited to share that the Physics Club received funding from SGA to send seven members to the National Physics Conference in Washington D.C. to present their research, which represented the University on a national stage. Mr. Harrington concluded his report by speaking on the three words chosen by the Executive Committee to characterize efforts for the 2022-2023 academic year: connection; purpose; integrity. In terms of connection, SGA is seeking to connect the student body to the outside community to include as many students as possible in activities outside of the classroom. In terms of resilience, every student deserves to find a deeper purpose at Rowan University, and SGA intends on working hard to help students find personal meaning in their time at Rowan so they can prosper now and in the future. This includes a focus on mental health awareness and participation in the many smaller communities that Rowan fosters. The third and final word is integrity, which related to holding SGA as well as Rowan's administrative organizations, to the highest possible standard. The goal of this year being to present SGA to the student body as an open, caring and, principled organization serving and representing the students at the highest level.
