Questions & Answers

1. The Scope of Work indicates to update the signage at various buildings at both the Stratford and Sewell Campuses. Item 1.7 indicates “Refer to Drawings:” These drawing indicate the design of the signage. Is RFP 24-48 for Design or Construction Administration services for the signage update?

An addendum has been issued for this bid. The project is for Signage Conversion for Rowan-Virtua Sewell & Stratford Campuses Signage Conversion. This is for the conversion/installation of signage, **not** design.

2. Our company seems to have conflicting information on the due date for the bids on the refresh of Rowan’s Stratford and Sewel campuses. Can you confirm they’re due on April19 or May 13?

Submissions are due on May 13, 2024.
