Information about the Middle States Commission on Higher Education

The Middle States Commission on Higher Education (MSCHE) is one of seven regional accrediting organizations in the United States and is recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation (CHEA). MSCHE is an institutional accreditor. Therefore, MSCHE examines and reaffirms accreditation for each of its member institutions as a whole rather than the specific programs within the institution. MSCHE does not approve individual programs. MSCHE accreditation does not expire but is reevaluated and monitored on a regular and consistent basis in accordance with the institution's assigned accreditation review cycle.
