

FISCAL YEAR 2020 CONSOLIDATED OPERATING BUDGET

CFO's Message 1 Regular University 6 Auxiliary Services 25 Global Learning & Partnerships 32 CMSRU 36 RowanSOM 39 Special Programs (Glassboro Campus) 44

From the desk of the CFO:

Rowan University Consolidated Operating Budget Proposal Fiscal Year 2020

Overview:

Presented here is the FY 2020 Consolidated Budget proposal for Rowan University. The Consolidated Budget consists of the various operating budgets for the Regular University, Auxiliary Operations, the Division of Global Learning and Partnerships, Cooper Medical School of Rowan University (CMSRU), Rowan School of Osteopathic Medicine (RowanSOM) and Special Programs.

The Regular University Budget is the largest portion of the Consolidated Budget. It is the main component where all undergraduate activity occurs and central services are provided.

The Auxiliary Operations Budget includes the operating activities of Residential Learning, the Recreational and Fitness Centers, the Student Center, and Camps and Conferences.

The Division of Global Learning and Partnerships includes the Graduate School, Summer Session and the Continuing Education programs.

The Cooper Medical School of Rowan University Budget captures the operating activity of the University's medical School in Camden.

The Rowan School of Osteopathic Medicine Budget includes the operating activity for RowanSOM Medical School, Graduate School of Biomedical Sciences, Faculty Practice Plans, and Stratford campus Special Programs.

The Special Programs Budget is where the activity of the self-funded programs on the Glassboro campus is recorded. Special Programs are accounts with specific funding sources that cover the direct costs of the program. These programs also include the revenue distributions to Academic Affairs' colleges and departments from Rowan Global, and self-supporting Centers and Institutes, as well as allocations from the Foundation. The funds are expended according to University policies and procedures.

The FY 2020 Budget was prepared on a consolidated basis. The main objective of the budget process was to develop a budget that balanced the needs of the University community while maintaining affordability for our students. To accomplish this, the process involved reviewing all proposed expenditures for appropriateness and need. Reductions and reallocations were made between areas, and additions were made in targeted strategic areas.

As in the past few years, the FY 2020 Budget is built on the four "pillars" that the President has identified for consideration in strategic planning and decision making: affordability, access, quality, and economic impact on the region. Adjustments and/or additions to the budget were made to position the University to meet these initiatives.

The FY20 Budget includes \$2.7 million in additional funding to support Project Insight. Project Insight is an initiative by the University to support student success. This budget includes \$1.5 million in additional funding for need based scholarships and \$1.2 million to support additional personnel and non-salary costs to support student success. Project insight will allows the University to identify current student issues earlier than we are currently capable of. This will allow the University to be able to intervene earlier, resulting in an improved experience for the student. Project Insight will also allow Rowan University to improve retention and graduation rates for the undergraduate population due to this prompt intervention as well as the need based scholarships offered.

The FY 2020 Budget Proposal also adds positions and non-salary operating costs to support the expansion of the RowanSOM Academic and Faculty Practice Plan operations onto the RCGC campus, new space in the Camden Joint Health Sciences Center and the Welcome Center on Rowan Boulevard, the addition of the Division of Diversity, Equity and Inclusion, increased enrollment and to support the following areas requiring additional funding:

- > Academic Affairs
- > Enrollment Management
- Facilities
- > Technology
- Research and Entrepreneurship

CFO's Message 1 Regular University 6 Auxiliary Services 25 Global Learning & Partnerships 32 CMSRU 36 RowanSOM 39 Special Programs (Glassboro Campus) 44

An additional \$3.9 million for salary was allocated to the Academic Affairs Division which is comprised of three components. \$0.8 million is to provide funding for eight Tenure Tract Professors and four administrative positions, while the net remaining increase of \$3.1 million is attributed to the conversion of 23 Lecturers (converted from 43 ¾ faculty positions) and across the board salary increases which includes union step increments. Non-salary allocations are increasing by \$0.3 million.

Enrollment Management is implementing Project Insight and thus its budget includes \$0.4 million in salary, \$0.2 million in fringe expense and \$0.3 million in non-salary related to project Insight.

Information Technology costs continue to be a priority as security initiatives and increased enrollments have strained our resources. This budget provides for \$0.4 million in additional funding for salaries related to these priorities. Support for six additional IRT positions of which two NeRD Network Engineers were previously funded through the NeRD capital project and will be funded through operations going forward and three positions are part of Project Insight. This budget also includes an increase of \$1.1 million in non-salary support is included in this budget to advance the division's initiatives.

The Research model at Rowan University has recently been revised to include enhanced emphasis on entrepreneurship and shared research initiatives across divisions. To that end, under the umbrella of the Research Division, several cost centers were created since FY 2017. The FY 2020 budget includes \$1.2 million to support the estimated start-up of these cost centers. Through increased research opportunities and contracts for services, the expectation is that these cost centers will reimburse the University for their start-up costs and eventually generate surplus revenues for the University. The current cost centers include the following: Advanced Materials & Manufacturing Institute (AMMI); Center for Research and Education in Advanced Transportation Engineering Systems (CREATES); Center for Access, Success, and Equity (CASE); the Fossil Park; and the Virtual Reality Lab.

Even as we strive to increase other sources of revenues, we continue to be reliant on State funding. In March 2019, the Governor indicated in his FY 2020 Detailed Budget that base appropriations for Rowan University would increase \$1.6 million compared to FY 2019. This budget is based on that assumption.

The FY 2020 budget proposal addresses our affordability initiative by calling for a modest 2.21% increase in undergraduate tuition and fees; a 3.0% increase in CMSRU, RowanSOM and the Graduate School of Biomedical Sciences (GSBS) tuition.

Accessibility remains an important initiative for the University. In response to the Higher Education Restructuring Act, the University has made a goal of expanding enrollments to 25,000 students by the year 2024. Included in the 25,000 enrollment target was a projection for 12,500 on campus, undergraduate students. We have exceeded that target in FY 2018 and the FY 2020 tuition and fee revenue is based on 13,634 full-time undergraduates.

On a consolidated basis, Total Revenues for FY 2020 are budgeted at \$552.7 million and Total Expenses are anticipated to be \$547.4 million.

| Proposed Full-time Tuition & Fee Rates are the following: | | |
|---|--------------------------------|---------------------------------|
| Full-Time Undergraduate Tuition and Fee Rates | FY 2019 | FY 2020 |
| In-State Tuition Out of State Tuition Fees | \$9,858 \$18,500 \$3,839 | \$10,076 \$18,908 \$3,924 |
| Full-Time CMSRU Tuition Rates | | |
| In-State Tuition Out of State Tuition | \$39,300 \$62,369 | \$40,479 \$64,240 |
| Full-Time Rowan SOM Tuition Rates | | |
| In-State Tuition Out of State Tuition | \$40,135 \$64,393 | \$41,339 \$66,324 |
| Full-Time GSBS Tuition Rates | | |
| In-State Tuition Out of State Tuition | \$7,964 \$11,535 | \$8,202 \$11,882 |

CFO's Message 1 Regular University 6 Auxiliary Services 25 Global Learning & Partnerships 32 CMSRU 36 RowanSOM 39 Special Programs (Glassboro Campus) 44

Revenue Highlights

- General State appropriations are projected to be \$78.4 million, including the Regular University, CMSRU, and RowanSOM. This amount includes the \$1.6 million increase in the Regular University base appropriations and a \$5.0 million increase to the Cooper Hospital Support Payment that was not reflected in the FY19 budget. This amount also reflects the effects of the NJ Medicaid Access to Physician Services (MAPS) Program within the New Jersey Medicaid program. The NJ MAPS Program is entirely being funded by transfers of existing state legislative appropriations, mostly from the parent universities of the medical schools. MAPS is not projected to have an effect on CMSRU's FY20 net since its General State appropriations are projected to decrease \$14.4 million from \$32.8 million to \$18.4 million which is offset by its Cooper Hospital Support payment projected to decrease by \$14.4 million from \$21.3 million to \$6.9 million. RowanSOM's projected General State Appropriations are expected to decrease \$1.2 million with an offsetting increase to RowanSOM's Faculty Practice Plan Revenue.
- > State Paid Fringe Benefits are estimated to be \$90.2 million in FY 2020. The State allotment of positions covered under the State Benefit program are assumed to be the same as FY 2019; 1,749 for the University and RowanSOM, and 105 for CMSRU, for a total of 1,854 state funded benefit lines.
- We are anticipating undergraduate enrollments to grow to a total of 13,634 full-time students for FY 2020. The Cooper Medical School of Rowan University is projected to have a total of 402 students. RowanSOM is projecting enrollments of 787 medical students, in addition to 158 GSBS full and part-time students. Total gross tuition revenue is projected to be \$235.3 million in FY 2020. Tuition is budgeted as follows:

| 2 77 '11' |
|-------------|
| 8.7 million |
| 3.8 million |
| 5.3 million |
| |

Total Student Fee revenue is projected to be \$61.1 million in FY 2020. Fee revenue is budgeted as follows:

| • | Regular University (Undergraduate) | \$45.5 million |
|---|---|----------------|
| • | Auxiliary | \$10.0 million |
| • | Rowan Global (Includes Graduate and Summer) | \$2.6 million |
| • | Cooper Medical School | \$1.2 million |
| • | RowanSOM | \$1.8 million |

- For FY 2020, University funded scholarships and waivers are projected to increase on a consolidated basis over the FY 2019 year end projection by \$1.7 million. The majority of the increase is attributed to a 7% increase, or \$1.9 million in additional funding for undergraduate student scholarships of which \$1.5 million, as previously mentioned, is related to Project Insight.
- Rental rates for student housing are budgeted to increase by 3.0%. Total rental income for Auxiliary Operations for FY 2020 is projected to be \$33.2 million. These revenues reflect an anticipated 92% average occupancy rate for the 3,653 beds on the Rowan campus operated by the University. In the FY 2019 budget Triad was removed but then needed to be used after higher demand for housing than planned. The FY2020 budget assumes that Triad will be open to students. When including 220 Rowan Boulevard (456 beds), Holly Pointe Commons (1,415 beds), A3 Housing at 230 Victoria Street and 223 West High Street (557 beds) that opened for the fall of 2017 and the A4 Housing (604 beds) that opened for the fall of 2018, the University will have a total of 6,685 beds for residential students in FY 2020; an increase of 228 beds over FY 2019.
- ➤ Other revenue is comprised of Nexus housing placement fees, SGA allocations, SJTP lease payments, fees charged at the Recreation Center, Student Center and Fitness Center, reimbursements for facility usage, other miscellaneous fees, Cost Center revenues, and Special Program revenue. For FY 2020 we project other revenue to total \$13.2 million.

- ➤ Other revenue is comprised of Nexus housing placement fees, SGA allocations, SJTP lease payments, fees charged at the Recreation Center, Student Center and Fitness Center, reimbursements for facility usage, other miscellaneous fees, Cost Center revenues, and Special Program revenue. For FY 2020 we project other revenue to total \$13.2 million.
- ➤ Commission revenues net of expenses are anticipated to be \$3.8 million for FY 2020.
- The Rowan Global Distribution model was adjusted so that distributions are based on a predetermined amount per student credit hour above a minimum threshold. This change is intended to increase transparency, allowing faculty to better estimate how much Rowan Global funds they will receive instead of waiting until after the semester has been completed to know how much they will receive for the course. The projected revenue distribution from Rowan Global operations is \$20.3 million for FY 2020. This estimate is based on anticipated enrollment growth of 7.3% over FY19 actuals. The Regular University is budgeted to receive \$15.0 million from Rowan Global, CMSRU is projected to receive \$35 thousand and Academic Affairs is projected to receive \$5.3 in Rowan Global distributions through the Special Programs accounts.
- Revenue distributions from Auxiliary Operations and RowanSOM are projected to be \$9.7 million in FY 2020.
- The Foundation allocation to the Regular University is projected to increase slightly to \$6.2 million in FY 2020. The Rowan Foundation allocation is calculated by multiplying the average market value of the Rowan endowment for the previous 12 quarters by 4.5%. RowanSOM is expected to receive distributions of \$0.6 million from the Foundation in FY 2020.
- ➤ Affiliate revenue reflects payments from Jefferson Health New Jersey (formerly Kennedy) for faculty effort related to teaching residents in the GME program plus Chief of Service responsibilities for the hospital. For FY 2020, affiliate revenue is projected to total \$3.1 million.

- Faculty Practice Plan (FPP) revenues primarily consist of fee for service payments, inclusive of quality incentives and capitation payments from the Centers for Medicare & Medicaid Services (CMS) and other third party insurance providers for inpatient and outpatient services provided by the RowanSOM faculty. Patient encounters for the FPP approximate 170,000 annually. In addition, significant contract payments for medical directorships and other contracted service agreements, such as behavioral health services, account for approximately twenty-five (20%) of the revenues. For FY 2020, FPP revenues are projected at \$32.1 million budgeted as follows:
 - Fee for Service payments (CMS and third party payers) \$25.8 million
 - Contract payments \$6.3 million
- ➤ Housestaff Billings primarily consist of the expense for resident salary and fringe benefits, plus associated per resident malpractice expense, billed to the GME affiliated sites resulting in a complete recuperation of these expenses. For FY 2020, these billings are projected to total \$22.1 million.
- Investment Earnings-Unrestricted captures the interest and dividend income as well as realized gains and losses from the Universities Investment Portfolio. The FY 2019 budget was increased to \$4.1 million, a \$1.5 million increase over the FY2019 budget, because of higher interest rates, continued shifting of funds from the Concentration account to a Cash Plus account that offers a higher interest rate and the establishment of a quasi-endowment.

CFO's Message 1 Regular University 6 Auxiliary Services 25 Global Learning & Partnerships 32 CMSRU 36 RowanSOM 39 Special Programs (Glassboro Campus) 44

Expenditure Highlights

- On a consolidated basis, salaries are budgeted at \$253.3 million. Additional funding is included for the following: \$2.5 million in Regular University for eight new Tenure Tract Faculty, conversion of 43 ¾ time faculty to 23 lecturer lines, 25 full-time positions, various part-time allocations; \$0.1 million in Auxiliary Services for one new full-time positions; \$0.1 million in Global Learning & Partnerships for one new full-time position; \$0.4 million in CMSRU for seven new full-time positions and an additional part-time person and \$2.2 million for RowanSOM for four new full-time administrative academic positions to support enrollment growth, three full time administrative academic positions for the Rowan Branch Campus at RCGC, 28 new lines within the Faculty Practice Plan. An estimated \$11.5 million for negotiated salary increases as well as other contract specific payments, managerial increases and annualization of midyear hires are included on a consolidated basis. The budget also includes a reduction for vacancies and estimated salary savings of \$2.5 million for the Regular University and \$3.2 million for RowanSOM; an increase of \$0.4 million.
- It is anticipated that Fringe Benefit Expenses will exceed the State Paid Fringe Benefits allocation due to the University exceeding its allotted state funded (fringe) position count of 1,854. The University as a whole will be responsible for a projected \$19.4 million in fringe benefit costs associated with the estimated overage based on the current fringe rate.
- ➤ On a consolidated basis, Non Salary operating expenses are projected to be \$91.7 million. The University has increased Non Salary expenditures by \$5.0 million, with the majority split between Academic Affairs, Information Technology and Special Programs due to a \$2.0 million special appropriation for CREATEs.
- Utility costs on a consolidated basis, are projected to be \$11.6 million; and increase of \$0.4 million compared to the FY 2019 budget.
- Tuition/Room/Board Waivers represents the anticipated expenditure for the benefits given to Student Residence Directors and Student Residence Assistants in student housing. Based on FY 2020 rates, the amount is projected to be \$3.4 million.
- ➤ Malpractice expense for FY 2019 is projected to total \$3.3 million and is related to the payments required to the State for medical malpractice coverage for faculty and residents.

- Debt Service payments for FY 2020 are budgeted at \$40.6 million on outstanding debt; a decrease of \$0.2 million from the FY2019 budgeted levels.
- ➤ In order to update the University's infrastructure the FY 2020 budget includes funding for Capital Projects. Funded from the Regular University, Auxiliary Operations and RowanSOM budgets, the FY 2020 consolidated budget allows for a total of \$7.8 million to be allocated for capital improvements throughout the campuses.
