For Credit Card Payments Go To:

College Compass is a program geared specifically for residential and commuter students with disabilities providing a smooth transition to college and campus life.

- Provides you with the chance to move in early & get settled before the majority of other students
- Support for students during move-in weekend and welcome week activities
- Workshops providing students with valuable information to students new to Rowan
- Personalized tours of campus showcasing valuable resources

College compass is will allow you to learn about and explore the campus before the business of the semester sets in. Our personalized tours will include the Campbell Library, the Wellness Center, Academic Buildings, and more!

Registration fee is $250.00 which includes:
- Academic Coaching for the year
- Parent/student welcome mixer
- Early move-in
- On and off campus events
- Parent workshop
- Meals

Academic Coaching is an individualized program offering students with disabilities one on one support in identifying their learning style; becoming more self-reliant, self-motivated and autonomous in making a smooth transition from high school to college.
