Campbell Library Renovation and Information Resources & Technology Upgrades Project

Location: Glassboro Campus

Status: Punch List

Forecasted Project Delivery: Summer 2026

Development Cost: $23.4 million

Design Consultants: Kimmel Bogrette Architecture & Site, Inc.

General Contractor: Whiting-Turner

Project Planning & Development: Facilities, Planning & Operations and IRT

***Prioritization Category:** Categories 4, 5 & 6

Renovation of Campbell Library to integrate technology, academic support services, research resources and data management with reconfigured spaces, providing access to a wide range of carefully curated and upgraded electronic resources, archives and special collections. As part of the project, the Technology Assistance Center has been moved from Memorial Hall to a more central location within the Library. A Ribbon Cutting Ceremony is scheduled for September 16.

* Projects are guided by the "University of the Future" priorities in the following categories:

1. Classrooms and Laboratories
2. Student Housing Needs
3. Space for New Faculty and Staff
4. Deferred Maintenance & Modernization
5. Internal and External Collaboration Spaces
6. Advancing the Academic Mission
