***Prioritization Category:** Categories 1, 3, 4, 5 & 6

Construction of a new facility to house the Ric Edelman College of Communications, Humanities & Social Sciences ("RECHSS") that embraces a technology-first approach to design and purpose, driving experiential learning for 21st Century students and workforce. Designed to support the evolving needs of students, faculty and staff, the new RECHSS will foster an innovative and dynamic environment, prioritizing flexibility, technology integration and shared spaces.

* Projects are guided by the "University of the Future" priorities in the following categories:

1. Classrooms and Laboratories
2. Student Housing Needs
3. Space for New Faculty and Staff
4. Deferred Maintenance & Modernization
5. Internal and External Collaboration Spaces
6. Advancing the Academic Mission
