Esby Gymnasium Weight Room Renovations

Location: Glassboro Campus

Status: Construction

Forecasted Project Delivery: Early Fall 2026

Development Cost: **$**6 million

Design Consultants: Kimmel Bogrette Architecture & Site, Inc.

General Contractor: Whiting-Turner

Project Planning & Development: Facilities, Planning & Operations and IRT

***Prioritization Category:** Categories 4, 5 & 6

Renovation of the Esby Gymnasium Weight Room to create a modern, state-of-the-art training and fitness facility designed to enhance the student-athlete experience, support athletic performance and wellness initiatives, and provide upgraded equipment, improved functionality, and a more efficient and engaging environment for training and conditioning activities.

* Projects are guided by the "University of the Future" priorities in the following categories:

1. Classrooms and Laboratories
2. Student Housing Needs
3. Space for New Faculty and Staff
4. Deferred Maintenance & Modernization
5. Internal and External Collaboration Spaces
6. Advancing the Academic Mission
