Construction Access in Lot O-1

Please be advised that renovations to the play space at the Early Childhood Demonstration Center, just west of James Hall, will begin March 14th. Parking spots on the east side of Lot O-1 will be reserved for construction access. The work is weather dependent, so you may notice the spots opened and closed intermittently over the next month or so. Please see the diagram below for more information.

For questions or concerns, please contact Linda Walczak at walczak@rowan.edu.
