

### **Ongoing Planning Initiatives**

A **space assessment and strategy** for the main campus is underway with consultant, Anser Advisory. Stakeholder meetings are ongoing with the Executive Committee, Deans and VPs.

The Division is working on an **ADA improvement plan** to address compliance issues and student concerns.

A new **beautification plan** for main campus is underway. This anticipated 5-year initiative will include new sidewalks, curbs and enhanced landscaping. Project planning meetings are underway.

A **planning study of the north side of West Campus** is underway to determine optimal site configurations and access ways for various development projects, both underway and proposed.
