Phone conference ID: 237 124 653#

## **Purpose of the Meeting:**

To share information about the development of a Watershed Improvement Plan (WIP), which is being created to:

- satisfy new NJDEP requirements
- reduce pollution and improve water quality entering the watershed overtime

This is a three-phase process, and the WIP development is currently in Phase 1.

## **Meeting Agenda:**

- The meeting will include:
- Description of why a Watershed Improvement Plan
- Review of key terms and concepts related to a watershed
- Description of a Watershed
- Elements that impact Water Quality
- Description of the Watershed Improvement Plan project
- What is already in place to support Water Quality
- Next Steps
- Opportunity for public questions and comments

## **Public Participation:**

Members of the public will have an opportunity to provide comments during the meeting.

Written comments may also be submitted:

**By email – enter 'Stormwater' in the subject line:** [spaceplanning@rowan.edu](mailto:spaceplanning@rowan.edu)

**By Mail to:**

Sue Wyndham,

Director, Landscape Architectural Services

Division of Facilities, Planning and Operations

Rowan University

Shpeen Hall, Suite 300

40 North Academy Street, Glassboro, NJ 08028

**Deadline for comments: Friday, June 5**

Comments received will be considered in the development of the Watershed Improvement Plan.

## **Accessibility:**

Individuals requiring special accommodation to participate should contact:
