

### 2.1 Applicability

This policy applies to all Rowan University Academic and Research machinery and equipment. This policy does not apply to Rowan University Facilities LOTO requirements. For Facilities specific LOTO policies, please refer to the Facilities Operations EHS Shop Manual. You may also obtain additional information by contacting the EHS Department at [EHS@Rowan.edu](mailto:EHS@Rowan.edu) or 856.256.5105.

This LOTO policy does not apply to machinery or equipment meeting the following condition:

Work performed on plug-connected equipment where:

- a. Exposure to the hazardous energy or start-up of the equipment is controlled by unplugging the equipment from the energy source, **and**;
- b. The plug is under the exclusive control of the individual performing the service or maintenance.
