

Rowan University

A top 100 national research university serving New Jersey

2022-23 FACTS AT A GLANCE

Rowan University is a Carnegie classified national doctoral research institution dedicated to excellence in undergraduate education. Founded in 1923 in Glassboro, Rowan serves the public at eight campuses and 100+ education, clinical and research sites. Its students hail from 41 states and 40 nations.

Rowan regularly earns notable national recognition. The historic \$100 million Rowan gift in 1992 put the institution on the fast track, helped create the College of Engineering and enabled ambitious insitutional growth. Now, with two medical schools and powerful partnerships in education, health care and research, students throughout the institution benefit, public-private initiatives thrive and Rowan provides transformational leadership in higher education.
