General Information - Apply by Friday, February 14th, 2020

- Honors students who apply by the deadline are guaranteed University housing in the Honors cluster areas of either Whitney Center or Rowan Blvd. Apartments.
- The deadline for Honors students to apply for University housing and maintain the guarantee for 2020-2021 is Friday, February 14th, 2020 at 11:59 pm.
- To apply:
 - Log into go.rowan.edu/myhousing
 - Click on the "Housing Applications & Forms" tab on the left side of the screen
 - Select the "Fall 2020-Spring 2021 Housing Application"
 - Complete the application
- Students requiring disability-related accommodations affecting their housing must apply and submit supporting documentation to the Office of Disability Resources by Friday, February 14th, 2020. Failure to meet this deadline may limit the ability of the University to reserve housing space meeting their needs. Questions should be directed to the Office of Disability Resources at 856-256-4259 or successcenter@rowan.edu. Students with accommodations will choose their space Wednesday, March 4th through Friday, March 6th, 2020.

Match Roommates and Form Groups - Feb. 19th through February 26th, 2020

- Between February 19th and February 26th students must match with any roommates with whom they would like to select rooms/apartments together. To request another student, go online to go.rowan.edu/myhousing and select Students >> MyHousing. Click on Room Selection and then Roommate Selection to enter the name(s) of your selected roommate(s).
- Each student in the group must complete their own roommate selections and mutually request all other group members to form a fully matched group.
- Groups may be from 2 to 4 people. Most Whitney Center and Rowan Blvd. apartments accommodate 4 people. Larger apartments are not available in the Honors cluster areas.
- Honors students may request a Non-Honors student as a roommate match. Groups must be at least 50% Honors, and Non-Honors roommates must have a minimum 3.00 cumulative GPA. In order to maintain a collaborative and scholarly environment, the Honors College reserves the right review roommate matches and approve or disapprove them based on GPA as well as availability of space.
- After review, Honors will notify you of any disapproved roommates/groups. If your roommate or group is not allowed and you want to live with that individual/group, you must opt OPT OUT Honors housing by March 6th (see pg. 2). If you do not opt out, you will be choosing within Honors housing without the disapproved individual/group.
- Contact the Honors Assistant Dean, Kristen diNovi at diNovi@rowan.edu to request special consideration/exceptions.

Opting Out of Honors Housing

- Honors students who DO NOT wish to select rooms in the Honors cluster areas of either Whitney Center or Rowan Blvd. Apartments may opt out and choose housing through the regular room selection process. To opt out, you **and** your Honors roommates must:
 - Log into go.rowan.edu/myhousing
 - Click on the Student Tab
 - Click on "MyHousing"
 - Click on the "Personal Information" and then "Update Information"
 - Select "Fall 2020" from the drop down menu
 - Read the statement and select "Yes" to opt out of Honors Room Selection

Gender Inclusive Options

- Honors students have the same opportunity to form Gender Inclusive roommate groups as other students in University housing. This option allows students to select roommates without restrictions based on sex or gender. All roommates who will be part of the matched roommate group must agree to this option by selecting it in the housing application.
- For more information about Gender Inclusive Housing, see the frequently asked questions under the Gender Inclusive Housing Options tab at:

Selecting a Room - Wednesday, March 10th, 2020

- Honors students who applied by the deadline will select a bed space on Wednesday, March 10th, 2020. Appointment times will be sent to your Rowan email account and are based on your group size and individual class level. You can select space any time after your appointment until 9:00 am the following morning. Larger groups select first, and the priority is determined by class: seniors (90+ credits), followed by juniors (58+ credits) and then sophomores (57 credits and below). Completed credits + current enrollment are counted.
- Students who mutually matched with roommates have proxy ability and can select a space for their entire matched roommate group.
- When you log on to choose a room, you will see all available options that can accommodate your group within Whitney Center and Rowan Blvd. Apartments. If you are part of a group of 3 or 4 and you see no options, this means all apartments for your size group are full. You will then need to split the group up and choose separately, in pairs, or as individuals.

Mandatory Housing Policy - Freshmen and Sophomores

- Full time, unmarried undergraduates under age 21 with fewer than 58 credits are required to live in University Housing, unless they will be commuting from a parent or guardian's home within 40 miles of the Rowan campus.
- Students who plan to commute during the 2020-2021 year, must file for commuter status.
- To file for commuter status, log into go.rowan.edu/myhousing
 - Click on the student tab
 - Click on MyHousing
 - Click on "Housing Applications & Forms"
 - Select the "Mandatory Housing Waiver Form (Fall 2020)"
 - Upon successful completion of the form, you will receive a confirmation email to your Rowan email address

The housing contract is for the entire academic year (2 semesters). The deadline to request to cancel with no penalty is five (5) business days after the student selects a space during room selection, or the University notifies the student of a confirmed housing assignment.
