Commuting?

If you are under 21 or have fewer than 58 credits and you plan to commute next year, you are required to file for commuter status by March 8th. Please note, the mandatory housing policy was suspended during the 2020-2021 academic year due to state regulations related to the pandemic. However, we anticipate this policy will be in effect during the 2021-2022 academic year. Students will be updated if the policy will remain suspended due to state regulations.

To file for commuter status, please complete the mandatory housing waiver form by following the below steps:

- Log in to <https://go.rowan.edu/myhousing/>
- Click on “Housing Applications & Forms”
- Select the “Mandatory Housing Waiver Form (Fall 2021)”
- Upon successful completion of the form, you will receive a confirmation email to your Rowan email address.
- After this submission, your request to commute must be approved. A staff member will send you follow-up e-mail indicating whether your request is approved or not.

Disability Accommodations

If you require disability related accommodations affecting your housing, you must register and submit supporting documentation to the Academic Success Center- Office of Disability Resources by the deadline, March 8, 2021. Failure to meet this deadline may limit the ability of the University to reserve housing space meeting their needs. Questions should be directed to the Academic Success Center at 856-256-4259 or successcenter@rowan.edu.

Match With Roommates

March 10 - 17, 2021

Roommate Selection

You will have the opportunity to select roommates via the MyHousing web site between March 10 and March 17 at 11:59pm. Roommate selections must be mutually agreed upon.

How to Match

- Log in to <https://go.rowan.edu/myhousing/>
- Click on Room Selection and then Roommate Selection to enter the name(s) of your selected roommate(s).
- Each student in the group must complete their own roommate selections and confirm any matches requested by other students to indicating that they mutually request each other.
- Incomplete matches in a group may be presumed to be agreed to. If you DO NOT agree to a match, you should deny the match in the MyHousing system.

Groups may be from 2 to 8 people. Most apartments accommodate 4 people. There are a number of Nexus apartments that accommodate 6 or 8 person groups.

On the assigned date, students who have mutually selected each other will be able to select rooms together as a group during the date(s) for the roommate who has the lowest class rank. Ask your prospective roommates to confirm their class rank prior to confirming your mutual match.

Examples:

- 4 Seniors = Senior Room Selection
- 2 Seniors and 2 Juniors = Junior Selection
- 3 Juniors and 1 Sophomore = Sophomore Selection

Determining Class Rank

Class rank is determined by the number of credits completed by Fall semester, plus the credits the student is currently enrolled in. Transfer credits are considered only if they have been accepted by the Rowan University Registrar.

Class:	Credits:
Seniors	90 or more credits
Juniors	58 to 89 credits
Sophomores	57 and below
