If you are part of any group that requires an early move-in, such as Fall Athletics, you will receive information specific to your group’s scheduled arrival, and none of the information below will pertain to you.

**Early Drop and Go Program Details:**

**When:**
Tuesday, August 28th and Wednesday August 29th. Students can sign up for a 1-hour time slot in which they will have the ability to move belongings into their assigned room.

**Where:**
A single vehicle per resident will be permitted to enter the small parking lot for Holly Pointe Commons on Carpenter Street.

**How:**
Students can choose an available 1-hour time slot from 9:00 AM – 4:00 PM by visiting www.rowan.edu/selfservice >> student tab >> Holly Pointe Commons Early Drop-Off Program. Interested students must select a timeslot by Sunday, July 22nd. Once the timeslots are all filled, the registration process will be closed. Availability is on a first-come first-served basis.

During your assigned hour, your Rowan student ID (if you do not have your active Rowan ID, you will not be able to enter the complex) will be activated to operate a building entrance door and your room door. Once your hour is over, your ID will no longer be active for any Holly Pointe Commons door and you will need to exit the complex. Carts will be available to assist you in moving your belongings from your vehicle to your room on your own.

**Then What:**
Students who participate in the Drop and Go Program are permitted to return to campus on Saturday 9/1, any time after 8 AM. On that day, you will be able to go directly to your room to unpack the belongings you moved in early, get settled, then take part in the move-in day festivities all around campus!

When you arrive to campus you should park your vehicle at the Rowan Blvd Parking Garage above the 3rd level. The parking garage is located adjacent to the Mariott Hotel, across the street from Holly Pointe Commons. On Saturday, September 1st ONLY, there is free 10-hour parking in the Rowan Blvd Parking Garage above the 3rd level.

You should not report to the Holly Pointe move-in vehicle staging area by the football stadium. You are also not permitted to enter the Holly Pointe parking lot with a vehicle on September 1st. Those areas are reserved for the full move-in process taking place for residents who did not get to participate in the Early Drop and Go program. Public Safety Officers will be controlling the entrance of the parking lot, which will be off-limits to all vehicles without a move-in day appointment time parking pass.
