

# Chestnut Hall Move-In Process

## **Move-in Schedule:**

Chestnut Hall Move-in is scheduled for Wednesday 8/28 or Thursday 8/29 between at 8 AM and 5 PM. Chestnut residents can select an available arrival appointment time for either the morning or afternoon for either date.

## **Parking & Unloading:**

When you first arrive to campus, **Chestnut Hall residents should enter the Chestnut Parking Lot off of Carpenter St.** There will be Public Safety staff directing traffic and managing the unloading activities to keep everyone safe in the parking lot. If the lot ever becomes full, officers may direct you to park your vehicle at an adjacent lot temporarily until spaces become available.

Because of space limits of the unloading zone, you should plan to take only one (1) vehicle in to unload. This is a rain or shine process, so check the weather and plan to protect items by packing in plastic bins or wrapping items with plastic if rain is expected. There will be a limited number of carts and possibly some volunteers to assist with the move in process to make it as efficient as possible. Once you unload, you will be directed to move your vehicle to another parking area, lots B or O, on campus for long term parking.

Please follow this link to a campus map for further reference. [www.rowan.edu/maps](http://www.rowan.edu/maps).

**Please be sure to monitor your Rowan email address and check the RLUH website for important move-in information. If anything with the process needs to change, that is how we will announce it.**

## **Other Important Information and Reminders:**

**Your Rowan ID Card-** This is your key to the building entrance. It will be activated on the date and time you are scheduled to arrive. If you do not have your ID or it is damaged, you should report to the Student Center to get a new ID made. They have hours of operation during the day throughout move-in weekend.

**Vaccination Requirements-** You must have all vaccination paperwork in to Health Services in the Wellness Center – See Health Services with any additional questions (856-256-4333) or online. **Any student who does not have an up-to-date immunization record on file with the University Wellness Center will not be permitted to check in.**
