

Whitney Center Move-in Process

Move-in Schedule:

Whitney Center Move-in is scheduled for Sunday, 9/1 between at 8 AM and 5 PM by arrival appointment time. Whitney residents should choose an arrival appointment, which are by the hour beginning at 8AM, and plan to bring your vehicle directly to the small Whitney parking lot behind the building during that window of time. Your appointment time is an indication of the window of time you should plan to arrive, not the duration that you have to complete your move-in. Because of the small size of the parking lot, please plan to unload your vehicle as quickly as possible before moving it to long-term parking in one of the near-by parking garages.

Parking & Unloading:

Parking and vehicle unloading for Whitney Center is located behind the retail stores on the ground floor. The best GPS address for the Whitney Center Parking Lot is 1 Redmond Ave, Glassboro, NJ 08028. That is actually the address for the Newman House, which is directly across the street from the entrance to the Whitney Center parking lot for unloading on move-in day. You will see a sign near the Whitney Center entrance at that point, directing you where to park and unload. You will unload your vehicle from a parking space or curbside. After your vehicle is unloaded, the vehicle driver will be instructed to move your vehicle to a nearby parking garage, where you will be able to park without a charge.

Because of space limitations of the unloading zone you should plan to take only one (1) vehicle in to unload. This is a rain or shine process, so check the weather and plan to protect items by packing in plastic bins or wrapping items with plastic if rain is expected. A limited number of carts will be on hand to assist with your moving process. However, if you have access to a dolly or hand truck, it is recommended that you bring it.

Please be sure to monitor your Rowan email address and check the RLUH website for important move-in information. If anything with the process needs to change, that is how we will announce it.
