RESIDENTIAL LEARNING &
UNIVERSITY HOUSING

Housing Options 2019-2020

Rowan University features seven residence halls and ten apartment communities nestled among the trees of a 200 acre campus in historic Glassboro, New Jersey. University and affiliated residences provide easy access to campus resources, recreational facilities and social opportunities.

Students who live on campus benefit from facilities and resources that support students' success during their first year and throughout their four year experience. Research and experience tells us that students who live on campus...

- Develop a greater sense of belonging.
- Find it easier to form friendships.
- Participate more in student organizations.
- Develop stronger connections to faculty.
- Increase their awareness of diversity.
- Are more likely to complete a degree in four years.
- Earn higher GPAs.

Housing Options

2019-2020

Residence Halls

Freshmen and some upperclassmen are housed in one of seven residence halls on campus. Residence halls feature primarily double occupancy rooms, with a limited number of singles available. In residence halls, students share common bathrooms. All residence halls are co-ed. Students in traditional residence halls may request roommates of their same gender. Students may request roommates without restrictions based on gender in Holly Pointe Commons.

Apartments

Apartments are limited to upperclassmen (including Transfers). Most apartments house four to eight students. Bedrooms may be single or double occupancy. Bathrooms are shared by two to four students. All buildings are co-ed. With the agreement of apartment-mates, students may choose roommates without restrictions based on gender.

Furnishings & Amenities

All spaces are fully furnished with an extra-long twin bed, dresser, desk and closet or wardrobe for each student. Most rooms are carpeted. Air-conditioning is standard in Holly Pointe Commons and in all apartments except Triad. Internet and cable TV services are included in all housing options. Air-conditioning and non-carpeted rooms may be requested on a space available basis as part of a disability accommodation.

Mandatory Housing Policy

Freshmen and sophomores (students with fewer than 58 credits) who are unmarried and under age 21 are required to live in University housing for four semesters unless they will be commuting from a parent or guardians' home within a 40 mile radius of campus.

Students who plan to commute must submit a certification form to the housing office.
