2021 OPEN ENROLLMENT SUMMARY

Enrollment Period
Open Enrollment will run from Thursday, October 1, 2020 to Saturday, October 31, 2020. During this time, employees are allowed to make general changes (adding or deleting dependents, changing coverage levels, etc.) or enroll in a different medical or dental plan. All changes made during this Open Enrollment period will be effective on January 1, 2021.

This is a passive enrollment. You only need to take action if you are enrolling in flexible spending via the TaxSave Program, making any medical or dental plan changes, or modifying the dependents on your plans.

NEW – Online Enrollment Process through Benefitsolver
If you are making any changes, you MUST enroll online and submit your elections by October 31, 2020. All health benefit elections will be submitted through Benefitsolver, a new website designed for employees to enroll in their benefits, make plan changes, add new dependents, and upload documentation.

In order to gain access to Benefitsolver via myNJ you will need to follow specific instructions based on your current level of access:

A. Is for those with myNJ access who already have access to Benefitsolver,
B. Is for those with myNJ access, BUT who need to self-register for Benefitsolver access, or
C. Is for users who need to create a myNJ account AND need to self-register for Health Benefits access via Benefitsolver.

Please go to the Employee Guide to Logging into Benefitsolver and follow the instructions for A, B or C. Please address any technical issues, comments and/or suggestions to oit.mynjhelpdesk@tech.nj.gov.

Open Enrollment Q&A Sessions
Due to current restrictions, the HR Department will NOT host in-person benefit fairs during this year’s Enrollment Period. We will provide Open Enrollment Tips through Rowan Announcers, and host ten (10) Q&A sessions the week of October 19th via WebEx. These general sessions will share key information about Open Enrollment and address employee questions.
**Key Items to Know for 2021**

* Members hired prior to July 1, 2019, will be enrolled in NJ DIRECT. Members hired after July 1, 2019, will be enrolled in NJ DIRECT 2019.
**For CWA members only. Members hired prior to July 1, 2019, will be enrolled in CWA Unity DIRECT. Members hired after July 1, 2019, will be enrolled in CWA Unity DIRECT 2019.

For over a year, the State of NJ has consolidated PPO health plan offerings towards a common NJ Direct plan design. Although not everyone has been converted into the new plans, there has been a significant shift that has caused some confusion as to which plans are available to you. To help our employees, we have identified three groups (primarily by union) with links to the appropriate side-by-side plan
comparison charts and contribution rate worksheets for 2021. (Please note that the State of NJ has not yet released 2021 Rate Calculators).

*Medical/Rx Plan Coordination*

Employees will no longer be able to elect different levels of Medical and Prescription Coverage. For example, a member may not elect to have Single Medical coverage and Member/Spouse Prescription coverage. The level of coverage must be the same for both plans. Members also must elect to enroll in both Medical and Prescription. If a member wishes to waive coverage, both Medical and Prescription coverage must be waived.

*Tiered-Network Incentive*

**Horizon OMNIA** will offer a financial incentive of $1,000 to first-time enrollees who remain enrolled for one year for all coverage levels (i.e., Single, Member and Spouse, Parent and Child, or Family coverage). The incentive is paid by gift card no later than the end of the current tax year and is deemed reportable income for tax purposes. Please note that this incentive will be forfeited and required to be returned to the State Health Benefits Program (SHBP) if the subscriber fails to remain enrolled in the Tiered-Network Plan for at least one plan year.

*Direct Primary Care Medical Home Doctor’s Office*

Employees and their covered dependents have the opportunity to join a Direct Primary Care doctor’s office at no additional cost.

This program is available to employees and dependents covered under the following plans:
- Horizon PPO/NJ Direct plans
