Introducing Amino: The most convenient way to find & book healthcare

Whether you're catching up on routine care from 2020, managing a chronic condition, or looking for care options to treat urgent needs, [Amino](#) can help.

What is Amino?

Amino is a healthcare search and booking platform available free to all NJ SHBP and SEHBP members through our benefits program.

How do I get started?

Visit amino.com/nj to claim your free account and perform a search to earn easy points toward NJWELL rewards.

What can I do with Amino?

- Search for high-quality, experienced doctors and facilities covered by your health plan.
- Book appointments online. (Amino's Booking Assistants take care of all the details.)
- Access healthcare benefits programs like telemedicine and joint pain management when you need them.

Need help with your account activation or appointment bookings? Reach out to support@amino.com for assistance.
