

AMENDED Notice of PERS Election

Please be advised that a total of seven candidates expressed interest in the PERS Municipal position; however, as of the closing date of January 4, 2019, no candidate had received the number of nominations (300) required to qualify for the election. Rather than allow the seat to remain vacant, the nomination period has been extended until March 1, 2019. This will allow the seven PERS-Municipal candidates additional time to secure the requisite number of nominations.

We urge each active Municipal employee who has not already done so, to nominate a candidate for the PERS-Municipal representative. The process to nominate a candidate is very easy and only takes a few minutes.

- For Municipal nominations, log on to: <https://vote.election-america.com/PERS-Municipal>
- You will need to provide the last four digits of your Social Security number, the first four letters of your last name, and your birthdate. You will then see a list of all the candidates and you can make your choice.
- Paper nominating petitions are also available upon request to the PERS Board Office at the address above or for further information, please visit NJDPB website www.state.nj.us/treasury/pensions/board-meetings18.shtml

Nominations must be filed online or arrive in the Board Office **on or before 4:00 p.m. Friday, March 1, 2019**. If more than one candidate receives 300 or more nominations, an election will be required.
