COURSE DESIGN AND CORE COURSE CONTENT

Registrants will select one of two core course track modules:

- **The Inclusive “Pedagogy Track” Module:** Registrants will engage with content focused on classroom-based ideas and strategies that make those spaces accessible to as many students as possible from the outset of instruction.
- **The Inclusive Campus “Practice Track” Module:** Registrants will engage with content focused on all non-classroom-based ideas and strategies that make the rest of your organization accessible.
