## **2. Poster Requirements**

### Objective

**Design a poster that is in alignment with the policy definition of consent shown below taken from Rowan's [Title IX Sexual Harassment/Sexual Assault](#) policy.** All entries must be in good taste.

CONSENT – Consent is informed, knowing, voluntarily and freely given permission to engage in mutually agreed upon sexual activity. The University will apply a reasonable person standard in determining whether or not consent was given, unless otherwise required by law.

- a) The person giving consent must be capable of doing so freely, with the ability to understand what they are doing and the specific details (who, what, when, where, and how) of the sexual contact to which they are consenting.
- b) Consent may be given by words or actions, as long as those words or actions create mutually understandable permission regarding the conditions of sexual activity.
- c) It is the obligation of the person initiating sexual contact to obtain clear consent for the specific type of sexual contact sought. A person's use of alcohol and/or drugs shall not diminish such person's responsibility to obtain consent.
- d) Lack of protest does not constitute consent. Silence or passivity without words or actions that communicate mutually understandable permission cannot be assumed to convey consent.
- e) Use of violence, threats, coercion or intimidation invalidates any consent given.
- f) A verbal "no," even if it may sound indecisive or insincere, constitutes lack of consent.
- g) Consent for one form of sexual contact does not imply consent to other forms. For example, consent to oral sex does not imply consent to vaginal/anal sex.
- h) It is expected that once consent has been established, a person who changes their mind during the sexual act or sexual contact will communicate through words or overt actions their decision to no longer proceed.
- i) Past consent does not constitute consent for future sexual contact/activity.

## ***Consent Poster Instructions & Rubric`***

- j) Persons who are unable to give valid consent under New Jersey law, (i.e. minors, individuals with mental health disabilities) are considered unable to give consent under NJ State Policy N.J.S.A.2C:4-2.
- k) Consent cannot be given by a person who is unconscious or sleeping. If consent has been given while a person is conscious or awake, and then that person becomes unconscious or falls asleep, consent terminates at that point.
- l) Persons who are incapacitated due to the use of drugs or alcohol cannot give consent.
