Welcome to Rowan! Congratulations on your acceptance! We look forward to welcoming you to campus soon. This mailing describes the important next steps to make a successful transition to Rowan. Inside you’ll find an overview of 1) things to do now, 2) orientation information, and 3) things to complete before classes begin. We know this is an exciting time, and the Office of Orientation and Student Leadership Programs is available to help you along the way.

Now that you have been admitted to Rowan, there are many required tasks to complete during this important time of transition. The easiest way to manage these important dates and deadlines for the many tasks that new students need to complete is to use your custom New Student Checklist at rowan.edu/checklist.

Each checklist item is important for your successful transition into college life, to ensure you do not miss a deadline, incur a fine, or receive a hold on your student account. Please visit rowan.edu/checklist. Here, you will find a link to our online orientation reservation system, where your individually customized New Student Checklist can be found. Please follow the directions on that website to either log in to your making registration and financial aid decisions, or to create a new one. This account is also used to reserve a spot at a required undergraduate orientation program if you have not done so already.

Please read and complete each New Student Checklist item with prompt attention to the deadline dates. Contact the listed departments as needed if you have any questions. To keep on track, check off the steps as you complete them in your customized checklist, and your progress will be saved the next time you log in.

We wish you the best of luck in your new journey to achieving academic success, making new friends, and creating a home away from home here at Rowan University!
