FIRST-YEAR CONNECTION LEADERSHIP

AUG 27 - SEPT 1
Hi Mariah,

It was a pleasure meeting you, albeit brief during FCL registration on the 23rd. My son [name redacted] participated and raved about his experience.

I wanted to send a quick note to congratulate you and the FCL group for a job well done. I must admit that I had low expectations when I enrolled him. My initial goal was to get him to meet some fellow freshman in order to ease his transition into College. Never did I imagine the level of involvement and time that was dedicated to the group. The icebreakers, teambuilding and activities that he described to me truly impressed me. And most importantly your retreat had an amazing impact on my son. He has a level of comfort and increased self-esteem that I had not seen in him throughout his years of high school. I’m more confident than ever that he made the right choice with Rowan University and I look forward to him integrating himself into the Rowan community.

Thank you and congratulations!

Best,
