

ROWAN **PATH** NEWSLETTER

The Place to Find Important Updates about Rowan PATH

Happy Holidays!

Can you believe that it is already the end of the Fall Semester? Hopefully, you will be able to finish strong and most importantly rest over Winter Break. There are a few reminders that we want to share in preparation for finals and the spring semester.

Remember if you are going to take your final exams in the Testing Center, speak with your professor then schedule your final exam through AIM.

Registration for spring courses began in October. If you are not registered for the spring, we recommend that you schedule an appointment with your advisor. There is still time to register for spring 24.

The PATH Program is planning to host an experiential learning trip in May 2024. If you are interested, please email pathprogram@rowan.edu to receive more information. This experience will allow students to apply NACE Career Competencies through a 4-week module with a final trip to the Grand Canyon.
