The Place to Find Important Updates about Rowan PATH

Spring

February flew by! Spring Break and Priority Registration is already on the horizon. Make sure to make an appointment with your advisor for the Fall and maybe the Summer if you don't have any Summer plans. Why not take an elective during the break?

The PATH Program is hosting an experiential learning trip in May 2024. If you are interested, please email pathprogram@rowan.edu to receive more information. This experience will allow students to apply NACE Career Competencies through a 4-week module with a final trip to the Grand Canyon.

Spring Break is Monday, March 11 to Saturday, March 16. Enjoy the time off and if you need to catch up on any work this week is the perfect time to do so!
