

RFP 26-21 Uninterruptible Power Supplies & Related Equipment

Rowan University

Office of Contracting & Procurement

Questions & Answers

1. For proposed equals, as per Section I.A.1, do we need to submit that to you prior to the submission deadline for you and your end user's approval?

All submissions will be considered equally, regardless of proposed manufacturer.

2. Do you also have the previous bid results or tabulation for this solicitation available to share?

See attached.
