

RFP 26-40: Mechanical Services

Rowan University

Office of Contracting & Procurement

Questions & Answers

1. What is the scope for the monthly and annual inspections?
 - a. No monthly or annual inspections are expected. This contract is for on call mechanical services contract. The proposal page mistakenly included a spot for inspections. The proposal page will be adjusted.
2. Good morning is a bid bond required for RFP 26-40 Mechanical Services?
 - a. No
3. The RFP documents list two different bid submission dates. Page 2 references a due date of 5/26, while page 3 references 5/27. Please confirm the correct bid submission deadline.
 - a. The correct due date is Wednesday, May 27, 2026.
4. In the event the RFP is awarded, what is the anticipated timeline for mobilization and commencement of services?
 - a. Potential award of this RFP would create a pool of vendors to call on during required repairs. No work should be assumed guaranteed but opportunities to perform work is greatly anticipated.
