RE: **REVISED** Award Recommendation: RFP 26-24 Water Treatment Services

Dear Bidder,

Following the initial award, the selected vendor for RFP 26-24 Water Treatment Services submitted revised pricing that exceeded their original proposal. As a result, we conducted a reassessment to ensure we continue to achieve the best overall value and remain aligned with our procurement objectives and budget requirements.

Based on this review, we have decided to re-award the location to an alternate vendor whose pricing remains competitive and consistent with the evaluation criteria.

Please let me know if you have any questions or require any additional information regarding this decision.

Awarded Vendors:
