**Question #1**

Re: II.A.1: Is the assessment to include a comprehensive study on class scheduling as part of the space efficiency?

**No**

**Question #2**

Re: II.E: The RFP anticipates meeting with the University representatives at "regular" intervals; will these meetings occur on a "regular" weekly or bi-weekly basis?

**The exact meeting schedule is TBD; these meetings will be with all stakeholders, including the Provost and Deans. They can be conducted via Zoom.**

**Question #3**

Re: III.A: Since reimbursable expenses are to include reproduction and "hard copies" are a requested deliverable, how many copies of the final report will the consultant be responsible for providing?

**3**
