Questions & Answers

1 | Question & Answer
Drawing A0.1 Decorative Lighting, indicates by Contractor. The FFE package does not specify the new fixtures and sconces. Please provide manufacturers and model numbers for light fixtures and sconces.

Fixtures are TBD, for the purpose of the BID include an Allowance for each Fixture as follows:

**BALLROOM**
- DL-101 Ball Room Chandelier – allowance of $4,000.00 per fixture
- DL-102 Pre-Function Ceiling Pendant – allowance of $2,000.00 per fixture
- DL-103 Pre-Function Ceiling Fixture (flush mounted) – allowance of $1,200.00 per fixture
- DL-104 Ball Room Wall Sconce – allowance of $600.00 per fixture
- DL-105 Pre-Function Wall Sconce – allowance of $600.00 per fixture

Once Fixture specifications are issued to the successful contractor for procurement and installation, the contractor will be required to provide all necessary proof of cost for each fixture. This includes all costs associated with the fixture cost, shipping, and handling.

2 | Question & Answer
Who are the Manufacturers and what are the catalog numbers for the Chandeliers, wall sconces and ceiling light fixtures?

See reply to question #1.

3 | Question & Answer
The base bid includes refinishing of all wood doors, chair rail, base, etc. We're concerned that when the wood is sanded, patched/filled, and re-stained that it may not have the quality that is expected or seen with a prefinished product. What is the expectation for the final product?

Rowan University will select a +/- 20’ (as in feet) length of existing wainscot section that will include door(s) to be refinished by the awarded contractor for review and confirmation by Rowan University of the quality that will be acceptable.

4 | Question & Answer
Is an allowance or specification being provided for the decorative lighting products, as none are specified?

See reply to question #1.
