

WELCOME: The Rowan University CSA Newsletter, is to keep you, our Campus Security Authorities or CSAs, informed on current issues and provided with timely information to assist you.

CSAs are identified by **the function of their position**, through a review process at Rowan. A **Campus Security Authority or CSA** is defined in the federal regulation (**Clery Act**) as any individual with significant responsibility for student and campus activity. Crimes and incidents, especially sexual assaults, *may not always be reported to the police*. To ensure that the Rowan community knows about potential safety issues on our campuses, the Clery Act requires institutions to gather and publish data from sources, which includes Campus Security Authorities or CSAs. The CSA function, reporting process and other important information in detail is available to you through the *CSA Training, Frequently Asked Questions and other resources* identified in this newsletter. **Your rule as a CSA is simple: REPORT INCIDENTS**
