Clery Act News: Audit: Sonoma State Underreported Campus Crimes in 2019
The California audit uncovered several unreported campus crimes at Sonoma State, including a sexual assault. Sonoma State isn’t the only California school that’s under the gun. Three other schools were reported by the state auditor for publishing inaccurate or incomplete campus crime statistics. These other schools include San Joaquin Delta College, Santa Clara University and the University of California, Irvine. https://www.campussafetymagazine.com/clery/audit-sonoma-state-underreported-campus-crimes-in-2019/

Your Learning Review

Q> You are a CSA and a student reported to you that they were sexually assaulted after their class, in a Rowan classroom, by an unknown person, last year. You complete an on line “Sexual Misconduct Report” to Title IX/OSEC. Is that it?? NO. If you are identified as a Campus Security Authority you must also complete the on line CSA report, since this is considered a delayed report. If this just happened or recently occurred you would notify Public Safety immediately. NOTE: The only groups not required to do this is RLUH staff and Public Safety which have their own reporting system.

Be complete on your reporting!!!!
- When (date and time(s) of the occurrence)
- Where (exactly the incident occurred, be specific, essential for Dept. of ED reporting)
- Who (was involved in the incident)
- What (happened, be specific)

If the victim does not want to submit their personal name, we need initials. We do not need other personal identifiers. For Clery review purposes. Understand if the information is not complete we cannot score properly for U.S. Department of Education required reporting purposes.
