ASK the questions: On your reports-
Be complete on your reporting!!!!
  ▪ When (date and time(s) of the occurrence)
  ▪ Where (exactly the incident occurred, be specific, essential for Dept. of ED reporting)
  ▪ Who (was involved in the incident)
  ▪ What (happened, be specific)
If the victim does not want to submit their name, we need initials. We do not need other personal identifiers. For Clery review purposes. Understand if the information is not complete we cannot score properly for U.S. Department of Education required reporting purposes.

We are still receiving reports that are incomplete, because the writer is not asking these questions. Remember if you are identified as a Campus Security Authority-CSA you are still required to complete a CSA report following the outline in your training.
