## 2022-2023 Building Assembly Areas

To comply with the Public Employee Occupational Safety and Health Act and the New Jersey edition of the 2006 Uniform Fire Code, the following assembly areas have been designated for Rowan employees and students. Employees and students must assemble after an evacuation from a building to ensure they are all accounted for. Supervisors and Building Coordinators are responsible for employees and students who are assigned to these buildings, and should be directed to the locations indicated below during an evacuation.
