

What is Prof-xPerience?

Prof-Xperience is a summer enrichment program designed exclusively for 7th & 8th graders. This is a 4 day camp offered for 5 weeks that features programs related to specific weekly themes. The individual weeks will be filled with activities, workshops, and field trips focused on fun and engaging learning opportunities, while creating an active environment that encourages leadership development, creativity and team building. Prof-Xperience will primarily take place at the Rowan Chamberlain Student Center at Rowan University, in combination with other facilities throughout campus. However, pick up and drop-off will be located at the Rec Center, which is the same as Kids Rule Summer Day Camp. We hope you join us for this summer experience!
