- Registration-related deadline dates are posted by the University Registrar for all the primary Parts of Term each term.
- Part of Term is the 5th column in the Rowan Section Tally (http://banner.rowan.edu/reports/reports.pl?task=Section_Tally) and it shows the start and end dates of the session in which the course is placed.
- Part of Term dates determine your registration-related deadlines for the course.

Special Drop/Add Option for courses meeting after Regular Drop/Add: If a course meets for the first time after the Regular Drop/Add period for the Part of Term in which the course is placed (which can sometimes happen due to weather and/or holidays), the Office of the University Registrar has a special Drop/Add option and will honor Drop/Add requests received from the student (in person, via email) for up to two business days after the first course meeting, and will process them (as far as costs and transcripts) as if they occurred within the official deadline. This special Drop/Add option applies ONLY to courses that fall into the same category - those that have met for the first time after the Regular Drop/Add period.
