Terms and Semester Hours
The GSBS operates under the semester system with two semesters (Fall and Spring) each academic year. The curriculum is defined by the individual program of study. Students may attend as full-time or part-time.

Course Numbering System
Rowan University (July 2013 to present): A three character alphabetic Subject Code represents the program. This is followed by a 5-character numeric group. In this group, the first two digits typically are 00 followed by the three digit course number. The three digit course number indicates the level of the course (5 for Masters-level core courses, 6 for Masters-level courses, 7 for Doctoral-level core courses, 8 for Doctoral-level courses and 9 for Doctoral-level research courses).
Formerly UMDNJ (Prior to July 2013): A three to four character alphabetic Subject Code represents the department. This is followed by a 5-character alphanumeric group. In this group, the first digit indicates the level of the course (5 for graduate-level). The last three digits are the course number and the letter represents the school.

Grade point averages (GPA) are calculated by dividing the quality points (total grade point value) by the quality hours. Grades of I, IN, IP, P, W, S, or U are not calculated in the grade point average.

Prior to July 2013, cumulative GPAs were calculated to two decimal places.
