

## Independent Study Student Project Agreement

The student who wishes to enroll in an Independent Study completes the items below and, in turn, requests a full-time member of the faculty to supervise the project. Upon the approval of the faculty member, both the department chairperson and the academic dean must concur. When all signatures have been secured, the Registrar is permitted to officially enroll the student in an Independent Study provided such has been completed on or before the close of the Drop/Add period for that term.
