

Senior Privilege Registration Request Form

(Taking a Graduate-level Course While in an Undergraduate Program)

"Senior Privilege" is a unique opportunity available to matriculated undergraduate Rowan students that enables them to register for up to six (6) credits* of Rowan graduate coursework while matriculated in a Rowan undergraduate program. Students will be charged the undergraduate tuition rates** (as opposed to the graduate rate) for courses taken under this policy. Undergraduate students enrolled in graduate coursework under the Senior Privilege policy are expected to meet all the same course requirements and standards required for graduate students. Undergraduate students with "senior" standing at Rowan University requesting graduate registration under the Senior Privilege policy must meet all of the eligibility requirements and submit this signed form to the Rowan University Office of the Registrar within proper deadlines. (Undergraduate students who register for graduate-level courses outside of the Senior Privilege process and/or without permission from Rowan University Office of the Registrar will have their registrations dropped.)

* Only 3 credits of graduate coursework may be taken per semester for a total of 6 graduate credits.

** Senior Privilege does not apply to Rowan post-baccalaureate students, who are charged at the course level for any registration.

Rowan University practices selective admissions and therefore, success in graduate courses through Senior Privilege does not guarantee admission into an academic program at Rowan.
