### Spring 2020 Dates & Deadlines

For Rowan University undergraduate and graduate students including Rowan Global, but excluding GSBS, SOM and CMSRU students.

- **Graduate Students:** If you have a question that is not addressed here, contact Rowan Global Learning and Partnerships at globalstudent@rowan.edu.

- Registration-related deadline dates are posted by the University Registrar for all the primary Parts of Term each term.

- “Primary Parts of Term” are those Parts of Term that are intended for non-medical students and have at least 20 sections, and/or serve more than one student population. The chart below includes all of these deadlines. The chart and other registration information is also available at: www.rowan.edu/registration.

- “Part of Term” is the 5th column in the Rowan Section Tally (http://banner.rowan.edu/reports/reports.pl?task=Section_Tally) and it shows the start and end dates of the session in which the course is placed.

- Part of Term dates determine your registration-related deadlines for the course.

Note: If you cannot find your Part of Term identified below, check the Section Tally for start and end dates and refer to both the Drop/Add and Withdrawal policies to calculate proper deadlines.

### Special Drop/Add Option for courses meeting after Regular Drop/Add

If a course meets for the first time after the Regular Drop/Add period for the Part of Term in which the course is placed (which can sometimes happen due to weather and/or holidays), the Office of the University Registrar has a special Drop/Add option and will honor Drop/Add requests received from the student (in person, via email) for up to two business days after the first course meeting, and will process them (as far as costs and transcripts) as if they occurred within the official deadline. This special Drop/Add option applies ONLY to courses that fall into the same category - those that have met for the first time after the Regular Drop/Add period.

---

### About “Late-start Courses”

**“Late-start” Courses:** Most courses that fall within a term but begin after the start of the full term (“Late-start” courses) have registration open at the same time as the full term dates. Online adding and dropping for Late-start courses is usually possible during this time and up through the end of the Regular Drop/Add period for the full term. After that, registration usually is permitted for a late-start course until the Regular Drop/Add period for the Part of Term in which the particular course appears; however, online adding and dropping is no longer possible.

- To add or drop a "late-start" course after online registration has closed for the full term, simply email registrar@rowan.edu including your name, Rowan ID, along with the CRN, title and term for the course – stating that this is a “late-start” course and requesting registration/dropping/adding. As long as you are within appropriate deadlines,* the Office of the University Registrar will manually process the request on your behalf and send you a confirmation email, copying the Financial Aid Office as well, since late-start drops/add could affect your aid.

**Graduate registration:** All Graduate students (matriculated and non-matriculated) may register beginning 10/15/19 and throughout the entire registration period up to the end of Regular drop/add.

| November 11, 2019 | **Spring 2020 Registration opens for non-matriculated undergraduate students.** (Graduate non-matrics may begin registration as early as 10/15/19.) |
| December, 2019-January 2020 | **Spring 2020 bills will be viewable and PAYMENT DUE during this period.** Please check the Bursar website ([www.rowan.edu/bursar](http://www.rowan.edu/bursar)) for costs, deferred payment plans, and due dates related to Spring 2020 tuition and fees. (No bills are mailed.)  
- It is the student’s responsibility to check their online account ([www.rowan.edu/selfservice](http://www.rowan.edu/selfservice)) and pay when due (or at the time of registration if registering after the due date for the term).  
- Students are NOT always automatically dropped for non-payment. If you do not drop yourself from a course(s), you WILL be responsible for payment, even if you do not attend the course.  
- Therefore, if you decide you no longer need or want a course, you MUST drop it yourself within the appropriate drop/add deadlines that are listed within this document. If you do not drop within these deadlines, you will be academically and financially responsible for the course. In addition, those who do not drop and do not pay by the proper due date may have a hold assigned to their account which will prohibit all registration, transcript, and grade services until the hold is cleared/payment is made. |
**Spring 2020 Class List Verifications & Grade Due Dates for Instructors**

Due dates for class verifications and grades are associated with the length of your course and the official Part of Term in which it falls.

Note: End-of-term processing (official repeat course process, GPA calculation and any degree conferrals) are not possible for students until all grades are officially submitted, so these deadlines are important.

Instructors are required to perform class list verifications for each and every one of their classes throughout the term. Official deadline dates for the full term include a short grace period and are usually shared via the Rowan Announcer; but the general rule is that verifications should take place right after Drop/Add for the Part of Term in which the course appears. Instructions and tips for class verifications can be found under the “Faculty & Staff” link at www.rowan.edu/registrar. If you ever need to update a class verification and run into any problems, please email registrar@rowan.edu for assistance.

Instructors are required to submit their final grades for each and every one of their classes throughout the term. Official deadline dates are usually shared via the Rowan Announcer at least once a term for the full term due date, but the general rule is that grades are due within five (5) business days after the end of the Part of Term in which the course appears. Instructions and tips for entering final grades can be found under the “Faculty & Staff” link at www.rowan.edu/registrar. If you ever need to update a class verification and run into any problems, please email registrar@rowan.edu for assistance.
**Priority Registration**

*Priority registration* for undergraduates opens up at 7AM the day before regular registration unless otherwise notified. **About Drop/Add:** Students are able to drop and/or add courses to their schedule on their own, online through Self Service *(www.rowan.edu/selfservice)* as soon as registration opens for that particular Part of Term and all the way through to the end of the Regular Drop/Add period for the Part of Term in which the course appears. After that date, signed forms/emails and manual adjustments are required and must be submitted to the Registrar in-person or at registrar@rowan.edu. Graduate Students may also contact Rowan Global, at globalstudent@rowan.edu.

- **Drop/Add within deadlines:** Dropping or adding a course means the course will be removed (drop) or added (add) to your official transcript. If officially dropped, tuition and fees associated with the course are cancelled. If officially added, tuition and fees associated with the course are added to your account, and would need to be paid within appropriate Bursar deadlines. For details regarding payment or any refunds due connected to an official drop and/or add, please review your online account *(www.rowan.edu/selfservice)* and contact the Bursar's Office directly *(bursar@rowan.edu)* with any questions.

- **Drop/Add after deadlines:** Any Drops/Adds after the official deadline can only be performed with a fully-signed Late Drop/Add Form submitted to the Office of the University Registrar. These are only acceptable during the Late Drop/Add period for the Part of Term in which the course appears. If accompanied by a fully-signed form, these drops/adds will be processed (as far as costs and transcripts) as if they occurred within the official deadline.

  - **It is not possible to drop/add a course after the Late Drop/Add deadline.** After the deadline, students can withdraw from the course (if necessary) using the Course Withdrawal Form. In cases where a student withdraws from a course, the course remains on the transcript and the student is still responsible for all associated tuition and fees. Withdrawals can also affect your financial aid and count toward the number of times you are able to repeat the course. Please consult with your instructor/advisor carefully to determine the best option for you after the Drop/Add period has passed.

- Registration in a Rowan University course implies the student’s obligation to complete the course requirements. **Non-attendance does not constitute a drop or withdraw.** The student is financially and academically responsible for the timely and appropriate completion of any registration adjustment procedures. If a student is not able to complete a course after any applicable Drop/Add periods for the particular course have passed, a course withdrawal or hardship registration adjustment may be an option. [Consult the Course Withdrawal Form or the Hardship Registration Adjustment Request Form on the Registrar website *(www.rowan.edu/registrar)* under “Registrar Forms” for policy and process summaries and instructions.]

- None of the withdrawal codes affect the Rowan GPA.
