Special Drop/Add Option for courses meeting after Regular Drop/Add: If a course meets for the first time after the Regular Drop/Add period for the Part of Term in which the course is placed (which can sometimes happen due to weather and/or holidays), the Office of the University Registrar has a special Drop/Add option and will honor Drop/Add requests received from the student (in person, via email) for up to two business days after the first course meeting, and will process them (as far as costs and transcripts) as if they occurred within the official deadline. This special Drop/Add option applies ONLY to courses that fall into the same category - those that have met for the first time after the Regular Drop/Add period.

Spring 2023 Class List Verifications & Grade Due Dates for Instructors

Note: End-of-term processing (official repeat course process, GPA calculation and any degree conferrals) are not possible for students until all grades are officially submitted, so these deadlines are important.
