Spring 2024 Class List Verifications & Grade Due Dates for Instructors

Due dates for class verifications and grades are associated with the length of your course and the official Part of Term in which it falls.

Note: End-of-term processing (official repeat course process, GPA calculation and any degree conferrals) are not possible for students until all grades are officially submitted, so these deadlines are important.

Primary Parts of Term (Name in Section Tally)	START DATE for Part of Term	END DATE for Part of Term	Class verifications by instructor due: Instructors are required to perform class list verifications for <u>each and every one of their sections</u> throughout the term. Official deadline dates for the full term include a short grace period and are usually shared via the Rowan Announcer, but the general rule is that verifications should take place right after Late Drop/Add for the Part of Term in which the course appears. Instructions and tips for class verifications can be found under the "Faculty & Staff" link at www.rowan.edu/registrar . If you need to update a class verification and run into any problems, please email registrar-records@rowan.edu for assistance.	Final grades entered by instructor due: Instructors are required to submit their final grades for each and every one of their classes throughout the term. Official deadline dates are usually shared via the Rowan Announcer at least once a term for the full term due date, but the general rule is that grades are due within five (5) business days after the end of the Part of Term in which the course appears. Instructions and tips for entering final grades can be found under the "Faculty & Staff" link at www.rowan.edu/registrar . If you need to update a grade and run into any problems, please email registrar-records@rowan.edu for assistance.

- Registration-related deadline dates are posted by the University Registrar for all the primary Parts of Term each term.
- Part of Term is the 5th column in the Rowan Section Tally (http://banner.rowan.edu/reports/reports.pl?task=Section_Tally) and it shows the start and end dates of the session in which the course is placed.
- Part of Term dates determine your registration-related deadlines for the course.

Special Drop/Add Option for courses meeting after Regular Drop/Add: If a course meets for the first time after the Regular Drop/Add period for the Part of Term in which the course is placed (which can sometimes happen due to weather and/or holidays), the Office of the University Registrar has a special Drop/Add option and will honor Drop/Add requests received from the student (in person, via email) for up to two business days after the first course meeting, and will process them (as far as costs and transcripts) as if they occurred within the official deadline. This special Drop/Add option applies ONLY to courses that fall into the same category - those that have met for the first time after the Regular Drop/Add period.
