129- Theater

The diagram shows the layout of Theater 129. At the top, there is a stage area with two numbered boxes labeled '1' and '2'. Below the stage, the seating is arranged in two main sections. The left section has four rows of five seats each, and the right section has five rows of five seats each. Each seat is represented by a dashed rectangle with a number below it, ranging from 1 to 5 for each row. The entire seating area is enclosed in a large rectangular frame with a small semi-circular cutout on the right side and a larger semi-circular cutout on the bottom left side.

All reservations in this space come standard with a laptop and projector screen. Please use the space below to indicate any additional set up requests. This form must be submitted **at least one week (5 business days)** prior to your event date.
