 RE: Senate Resolution **090511-1**

Resolution

**To Increase the University Senate’s Contribution to the Joseph Barnes Award**

Whereas, the Rowan University campus experience as we understand it depends upon the service of faculty, librarians, professional staff, and coaches,

Whereas, maintenance of the University’s high professional standards requires the service of many faculty, librarians, professional staff, and coaches on peer review committees,

Whereas the full college experience as students understand it would not happen without the extraordinary service -- above and beyond the requirements of the job description -- of many faculty, librarians, professional staff, and coaches, to students as advisors and mentors,

Whereas, the University Senate and the American Federation of Teachers Local 2373 established the Joseph Barnes Award to recognize extraordinary records of service to the university, with matching stipends of \$500,

Whereas, the American Federation of Teachers Local 2373 raised its stipend to \$1,500 to emphasize the importance of service to the university community,

Therefore, be it resolved, that the University Senate increase its stipend to \$1,500 effective for the academic year 2009-2010.
