RE: Senate Resolution **071217-2**

**Resolution/Policy: Proposed Changes to University Senate Constitution  
Resolution 071217-2**

**Background:**

Whereas, the original charge to the Ad Hoc Constitution Committee was to “make recommendations that will promote the vitality of Rowan University as a public institution of higher education, facilitate communication among all members of the campus community, and maintain the Senate’s right to consider any and all matters that affect the university.”

May it therefore be resolved:

That the Rowan University Senate has recommended revisions to its Constitution. The recommended revisions, with one exception, involve updating of campus terminology as well as clarifications of ambiguous terms and procedures. The revisions would also give the Senate more flexibility to make similar updates in the future through the by-laws. The one exception to the technical revisions is the creation of a Senate constituency for the Camden Campus.
