2018-2019 COMMITTEE SUGGESTIONS & RECOMMENDATIONS

SUGGESTIONS:

It would be useful to have an agreed upon job description for Dept. Chairs but that remains in dispute and subject to negotiations for over five years now. The bargaining unit continues to work toward this end by engaging administration in discussions and by referring the matter to state council.

RECOMMENDATIONS:

Complete the above mentioned process and arrive at an agreed upon job description for Dept. Chairs that preserves bargaining unit work and is consistent with the master contract.
